VEERUBBER MISSION STATEMENT

Vee Rubber's mission is to manufacture high -quality tires and tubes for bicycle, motorcycle, ATV, car, truck, and other categories. Our goal is to meet or exceed our customer's expectations for performance, quality, value and service. We will continue to make improvements to our products and our company. We want to be a valued and trusted source for your rubber needs. We will treat all customers with dignity and respect and value their business. We will act responsibly as individuals and as a company. Safety is a priority at Vee Rubber's. Our desire is to be profitable and have a long successful steadiness as a company. Since our beginning in 1977, Vee Rubber's has pleased and satisfied millions of customers.
